-Some education, health education and physical education courses require admission to the Professional Education Program.

-Students in the Professional Education Program must pass state-mandated assessments in order to student teach and earn licensure. A complete list of academic policies, including admission and completion requirements, can be found online at [https://catalog.uwsp.edu/preview\\_entity.php?catoid=28&ent\\_oid=1886](https://catalog.uwsp.edu/preview_entity.php?catoid=28&ent_oid=1886).

-2.75GPA overall GPA and major GPA required in order to student teach.

-The health education minor is optional; however, it is strongly recommended for marketability purposes. Many physical education majors also complete the adapted physical education add-on license (an additional 6 credits beyond the major) as well.
