UW-Stevens Point at Wausau

Logistics:

- Buses can arrive as early as 11 am. With 11 schools attending, we will welcome and get instructions to each school as efficiently and quickly as we can. There will be 2 drop off times 11am and 12pm (unless you have given us a specific time you will arrive), as well as 2 pickup times 1:15pm and 2:15pm. Schools highlighted in yellow are encouraged to arrive after 11am and depart at 1:15pm. Schools highlighted in green are encouraged to arrive after 12pm and depart at 2:15pm. This is only a suggestion; we know each school has a schedule they must adhere to. Schools are welcome to attend at the times best suited for you.
- Drop off will be done at one point: South entrance of our CCE building in Lot G (Drop off A on enclosed map).
- Remain on your bus until our staff member has given their quick overview.
- Provide this [link to a campus buildings/parking map](#) and the following instructions to your bus drivers:

Format:

The format is Open House, so students will move freely throughout our buildings, exploring Career Clusters and attending short informational sessions.

Each student will receive the following:

- A “swag bag” to corral all the things they will collect at the event.
- A map with Career Cluster locations.

Upon arrival, one of our staff will hop on your bus, hand out maps and bags. We will give your students an overview of the event and what to do next.

Preparing for college, informational sessions led by UW-Stevens Point staff and students will be held in the main academic building’s auditorium Room #133. There are 3 sessions. While this is not mandatory, students have gained valuable information. Please attend the session that best fits your schedule. You are responsible for letting your students know where to go at the time you choose.

- 11:30, 12:30, and 1:30

“Finding the right college fit,” followed by a panel discussion with current college students, about the college experience.
