## **MATHEMATICS EDUCATION**

## MAJOR MAP 2024

	GETTING STARTED	MAKING PROGRESS	MAKING PROGRESS	PREPARING FOR WHAT'S NEXT	
JOURNEY	Take Calculus courses and General     Education courses, and consider Educ 205	major, and the Education courses for	Program	Complete the remaining courses in the major	CAREERS <ul> <li>High School</li> <li>Math</li> </ul>
	Declare your "teaching intent" with the      School of Education	Consult the <u>School of Education</u>	Determine your <u>major elective courses</u>	Apply for graduation	
	<ul> <li>School of Education</li> <li>Consider which <u>type of mathematics</u></li> </ul>	Advising Guide Talk to your faculty adviser or one of	<ul><li>with your faculty adviser</li><li>Talk to your faculty adviser or one of</li></ul>		Teacher
	major is most interesting to you	your math professors about when MEd 335, Math/MEd 340, and Math/MEd 350 will be offered next. Take them	your math professors about when to take Abstract Algebra (Math 331 or 332)		Middle
	<ul> <li>Apply for <u>SMCPA scholarships</u> each year</li> </ul>		• Consult with the School of Education to determine when to take Educ 385		School Math Teacher
AND SKILLS	modeling, in problem solving, and in using mathematical language	recognition, communication skills, and a variety of mathematical techniques	<ul> <li>Develop advanced skills in modeling and using mathematical language</li> <li>Consider presenting undergraduate</li> </ul>	Recognize interconnected ideas in mathematics and discover connections between mathematics and other disciplines	
	VISIT the <u>STEW Tutoring Center</u> or utilize other tutoring options from the	<ul> <li><u>certificate</u> to your studies</li> <li>Use your time in practicum experiences to start to develop your teaching philosophy</li> </ul>	research at the <u>CoLS Research</u> <u>Symposium</u> or at the <u>Wisconsin</u> <u>Mathematics Council</u> (WMC) annual conference at Green Lake	Consider an independent study course to deepen your understanding of a specific area of	
		Consider tutoring in the <u>MathPad or</u> <u>the TLC</u> as a great way to solidify your own mathematical knowledge and communication skills while supporting others		your major and/or minor	
AND GLOBALLY	<ul> <li>Join the Math Club or other <u>student</u></li> <li><u>organizations</u> of interest</li> <li>Look into a <u>study abroad program</u></li> </ul>	(Math 395) and the national <u>Putnam</u> <u>Mathematical Competition</u> in any fall semester	<ul> <li>Volunteer on campus at <u>College Days</u></li> <li><u>for Kids</u>, STEM Days for Girls and for Boys, or the Science Olympiad</li> <li>Contribute to volunteer efforts in the</li> </ul>	Apply your experiences to your job or grad program application materials Network with UWSP Alumni on LinkedIn	am application materials
		Consider <u>studying abroad</u>	community at <u>United Way</u> , the <u>Boys</u>	Join relevant professional associations. Take advantage of virtual and in-person <u>networking</u> <u>opportunities</u>	
READINESS	<ul> <li>Look for a job on campus using <u>Quest</u></li> <li>Create a college resume</li> </ul>	UWSP classes with a goal of preparing to teach and gaining the perspective of a teacher Explore <u>requirements for graduate</u> programs and full-time jobs which use	<ul> <li>Attend an <u>Interviewing Workshop</u>; seek • additional <u>preparation tools</u></li> </ul>	targets and refine your materials	
	<ul> <li>Complete your <u>Handshake profile</u></li> <li>Learn about and practice networking by attending a <u>Networking Workshop</u> or the All-Major Career and Internship</li> </ul>				
			Create an account in <u>WECAN</u> to apply for teaching positions	requirements are met.	
			opportunities at a <u>Career Fair</u> and with <u>UWSP alumni</u> who work in education	<ul> <li>Make connections during your student teaching assignment(s) to build your professional network</li> </ul>	
	Conduct a <u>Gap Analysis</u>	including a <u>cover letter</u> , more curated <u>Handshake profile</u> , and/or creating a <u>LinkedIn profile</u>	<ul> <li>If considering <u>graduate school</u>, research your options and understand testing requirements and application timelines</li> </ul>	Complete the Graduation Exit Survey; we want to celebrate your accomplishments!	and many more!
AVAILABLE OI Maior Map doc	VLINE uments are available online with addit	ional information!	The staff and faculty at the University of Wisconsin S want to help you craft your personal journey. Use this		

jumping off point for conversations about your goals.
