

PROGRAM TO PROGRAM ARTICULATION AGREEMENT
University of Wisconsin – Stevens Point (UWSP)
College of Letters and Science, School of Humanities and Global Studies
Multidisciplinary Major – Technology Management Option
and
Northcentral Technical College (NTC)
Mechanical Design Engineering Technology

Effective Date: January 1, 2024

NTC Associate Degree: Associate of Applied Science Degree, Mechanical Design Engineering Technology

UWSP Baccalaureate Degree: Bachelor of Science Degree, Multidisciplinary Major – Technology Management Option

Purpose:

This articulation agreement provides the opportunity for Northcentral Technical College Mechanical Design Engineering Technology students to be awarded the following equivalent credits upon entry to the University of Wisconsin-Stevens Point Multidisciplinary Major: Technology Management Option.

TRANSFER FOOTNOTES:

¹ The 4-credit NTC Intermediate Algebra w/Apps (10-804-118) transfers to UWSP as MATH 95 and MATH 107 (2 credits). However, MATH 95 does not count toward college credit in fulfillment of the 120 credits required for a degree and is noted here.

² In addition to credits in major courses listed above, additional 300/400-level credits may be required to satisfy university graduation requirement of at least 32 credits at the 3XX/4XX levels. 3XX courses are available for some of the GEP categories (e.g., Humanities, Historical Perspectives and Quantitative Literacy).

³ Exact number of credits depends on course selection. Quantitative Literacy requirement may possibly be fulfilled by MATH taken for associate program.

⁴ A minimum of 120 credits are required for graduation. Depending on course options, some students may complete the program requirements with fewer than 120 credits and an additional elective course may be required to reach 120 credits.

SPECIAL CONSIDERATIONS:

1. The acceptance of credits applies only to this specific Program-to-Program Articulation.
2. For acceptance of equivalent courses, NTC courses must have been completed within the last 5 years. Beyond this period of time, course equivalents will be assessed on an individual basis.
3. Students transferring under this agreement must have a minimum cumulative GPA of 2.25 in associate program coursework at NTC.
4. This agreement is subject to review if either NTC or UWSP undergoes curriculum revision OR within five years of the origination date of this agreement, whichever occurs earlier.
