

2025 Rayonier Portfolio Management Summer Internship

Rayonier Overview

At Rayonier, we believe our people are the driving force behind our success as a leader in the forest products industry. We foster a values-based work environment and are proud of our rich history and diverse business portfolio. We invite you to join us for a rewarding internship experience this summer.

Internship Overview

Our Portfolio Management team seeks a highly motivated intern to contribute to our Biometrics team during summer 2025. You will have the opportunity to apply your skills in machine learning, data analysis, and modeling to real-world challenges in forest management.

What to Expect

- **Hands-on Experience:** Work on projects that align with your interests and our business needs, gaining valuable experience in forest biometrics, data manipulation, and advanced machine learning techniques.
- **Mentorship and Collaboration:** Receive guidance and support from experienced professionals in the field, collaborating with our Portfolio Management team to drive impactful outcomes.
- **Exposure to Industrial Forestry:** Gain firsthand insights into the dynamic world of industrial forestry, with opportunities to learn about many aspects of the business.
- **Develop and Showcase Your Skills:** Present your summer projects to our team, demonstrating your accomplishments and contributing to Rayonier's knowledge base.

Details

- Compensation: Senior - **\$23.00/hr**, Graduate student - **\$24.50/hr**
- Location: Rayonier Headquarters, Wildlight, FL
- Duration: Internship duration will be ten to twelve weeks.
- Students must provide their housing but will be given a net of **\$2,100** lump sum if housing is required.

Requirements:

- Rising seniors or graduate students in Data Science, Forest Business, Forest Biometry, Forestry, Forest Management, Forest Operations, or similar
- Proficiency in *ArcMap* or *ArcGIS Pro* as well as statistical software (*R*, *SAS*, or *Python*), and experience working with machine learning models is highly desirable.
- Strong self-motivation and the ability to work independently.

Interested students should submit a resume, cover letter and transcript to Stephanie Patton (stephanie.patton@rayonier.com) and Ebony Presha (ebony.presha@rayonier.com).

Rayonier representatives will plan to conduct phone/video conference interviews with selected candidates.

Rayonier is committed to maintaining a work environment that promotes diversity and is free of discrimination. Except where prohibited by state law, all offers of employment are conditioned upon successfully passing a drug test.
