- Swimsuit
- Plastic bag for wet items
- Towel (*Optional: Goggles*)
- Water shoes
- Sunscreen
- Bug spray
- Any EpiPen, inhaler, or medication needed (to be carried by trained counselor)
- Sunglasses
- Hat

Prohibited Items:

If CWES staff suspect that a child is in possession of any inappropriate items, the staff will have the authority to search the child's belongings. CWES staff reserves the right to confiscate any inappropriate items and securely store them until the end of camp. If any illegal items are brought to camp, items will be confiscated, and parents/guardians will be notified. The following items are prohibited at CWES Summer Camp:

- Tobacco, drugs, alcohol
- Firearms, knives, or weapons of any kind
- Matches/lighters
- Laser pointers
- Fireworks
- Squirt guns
- Expensive jewelry
- Food, candy, gum, snacks, soda
- Personal sports equipment (such as archery equipment, baseball bats, golf clubs, etc.)
- Inappropriate or offensive clothing
- Electronic entertainment devices (games, music, etc.)
- Pet/animals
- Computers/iPads/tablets/electronic book readers/cell phones

Medications, Vitamins and Supplements:

All medications must be in the original bottle, clearly labeled, with the prescription from the doctor on the bottle (if applicable) as well as the correct name, date, and instructions clearly displayed. Written instructions must be provided for dispensing the medication. ***Please make sure registration forms have all the correct information as well.*** We will not administer medications that are improperly labeled or not prescribed by a physician to that specific camper. CWES cannot dispense medications in a higher dose than is indicated on the medication packaging or prescription label. Any unused medications will be returned during check-out. CWES cannot be responsible for medications left behind. Non-prescription medications will be dispensed per instructions provided by the parent in the camper's Health History or per camp standing orders when needed for occasional treatment. All medications will be kept locked in the Health Lodge to ensure the safety and privacy of campers. Trained health staff will dispense medications. Asthma inhalers, bee sting kits, insulin injection needs, EpiPens, glucose tablets, and glucagon kits can be kept with staff near your camper.
